WP No.58668/2015

It is stated that Bellandur lake is highly polluted and requires to be cleaned up by taking appropriate measures.

Sri Mahendra Jain, Additional Chief Secretary to Government, Urban Development Department and Sri Rakesh Singh, Commissioner, Bangalore Development Authority are present before Court.

The Commissioner, Bangalore Development Authority, submits that a monitoring committee is constituted for restoration of the lake and it comprises of officials from the Karnataka State Pollution Control Board, Bruhat Bengaluru Mahanagara Palike, Bangalore Water Supply and Sewerage Board, Revenue Department and other non official members. He submits that he will hold a meeting of the monitoring committee to prepare a revised action plan to clean and rejuvenate the Bellandur lake and will take all appropriate measures in the matter. He further submits that the action plan will be placed before Court within eight weeks from today. His submission is placed on record.

Government of Karnataka shall take all appropriate measures to clean the lake on top priority.

List this petition on 18.09.2018 as prayed for.
